

Compagnie Minière de Touissit (CMT), a subsidiary of Auplata, publishes significantly higher 2018 results

March 27, 2019

Auplata (Euronext Growth - FR0010397760 - ALAUP) announces the publication of the 2018 annual results of its Moroccan subsidiary, Compagnie Minière de Touissit (CMT), in which it holds an indirect 18.52% stake.

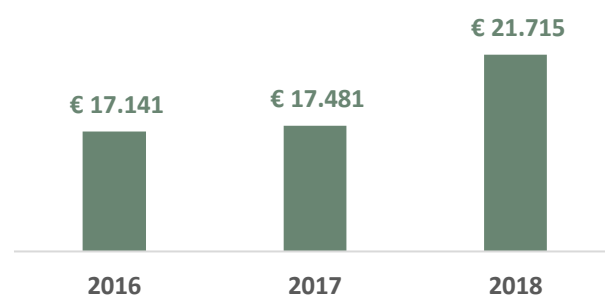

Revenues

CMT's 2018 revenues amounted to 46,9 M€¹, an increase of +15.5%, despite the sharp drop in metal prices recorded in the 2nd half of the year.

Operating result

Operating income, which makes it possible to measure the efficiency of the business, amounted to 21.7 M€¹, an increase of +24.2%², thanks in particular to the return to normal production and the control of expenses.

Perspectives and Dividends

The development project launched in 2017 should improve CMT's performance in the coming years. On 25 March 2019, CMT's Board of Directors decided to submit to the next General Meeting the distribution of a dividend of 15.65 € per share for the 2018 financial year, representing a total dividend distribution of over 26 M€.
